STUDENT SPEAK

Miss. Safiya Azmath
B.Sc. V Semester, Faculty of Science
Khaja Bandanawaz University

For me, Khaja Bandanawaz University is my first step into the University of Life, which is a learning platform with unrestricted possibilities and opportunities. I have established my leadership, time management and team skills and have also been able to advance these skills to the whole new augmented level. The highlight of my University life is my participation in co-curricular and extra-curricular activities along with the curricular, is next level which was very beautiful and excellent. The lecturers hold an attitude of being ever ready to help, along with classroom delivery. They are pillars of learning, which is a treasure for life.

What our student's say

Dr Irfan Ali

"As a General Medicine Resident at KBN University, I am extremely appreciative for the education and assistance I have received here. The faculty's passion and competence have greatly influenced my medical journey. The cutting-edge facilities and diversified clinical experiences have adequately prepared me for real-world issues. Being a member of KBN University has been a fantastic experience, and I strongly recommend it to anyone considering a career in medicine."
