**ABOUT UNIVERSITY**

The Khaja Education Society was established in the year 1958 and registered in the year 1966 under Mysore Societies registration at 1960 by Late Padma Shree Janab Syed Shah Muhammed Al Hussaini Saheb – The founder president. The society encompasses more than 24 educational organizations comprising primary, secondary and higher educational institutions under the minority society in Gulbarga. It has been working for the upliftment of all, irrespective of cast, creed or religion. Khaja Bandanawaz University recognized as private university on 23 Aug 2018. This esteemed institution runs, 8 faculties i.e, Faculty of Medicine, Engineering & technology, Law, Languages, Arts Humanities & Social Sciences, Education, Commerce & Management and Sciences. It offers the foundation courses in these areas as well as specializations, bachelors, masters and Ph.D degree. The administration of the University is looked after by an eminent educationist, under the Honorable Chancellor His Holiness Dr. Syed Shah Khusro Hussaini, Honorable Pro-Chancellor Syed Muhammed Ali Al Hussaini, respected Vice-Chancellor Prof. Ali Raza Moosvi. Khaja Bandanawaz University has a vision to create environment of motivation and accomplishment across disciplines and harvest knowledge through high quality Teaching, Research and Development activities leading to the generation of disciplined and intellect students for the betterment of the society.

**ABOUT THE FACULTY OF ENGINEERING AND TECHNOLOGY (FoET)**

The Engineering College was established in 1980 as Minority Institution and was formerly affiliated to Gulbarga University then to VTU since 1998 and was been recognized by the AICTE, New Delhi. On 23rd August, 2018 the Faculty of Engineering and Technology came into existence under Khaja Bandanawaz University. The FoET campus is extended over 12.6 acres of land excluding 13 acres which are dedicated for playgrounds. Presently, the FoET offers Five streams of Under- Graduate Courses, Three Post-Graduate Courses: Computer Science and Engineering, Structural Engineering and Geo-informatics and Five Research Centers: Computer Science & Engineering, Civil Engineering, Mechanical Engineering, Applied Physics & Applied Mathematics.

**ABOUT COMPUTER SCIENCE & ENGINEERING DEPARTMENT**

The Department of Computer Science and Engineering offers a comprehensive range of academic programs, including Under-Graduate, Post-Graduate and Ph.D courses, designed to cater the diverse interests and career aspirations. Established in 1987, the department has grown to become a leading center of excellence, known for its

cutting-edge curriculum, state-of-the-art facilities, and a strong emphasis on both theoretical and practical aspects of computing. The department is dedicated to provide a high-quality education and fostering innovative research in the rapidly evolving fields of computer science and engineering.

**ABOUT MECHANICAL ENGINEERING DEPARTMENT**

The Department of Mechanical Engineering, established in 1980, is dedicated to providing high-quality education and fostering research. With a strong focus on core mechanical principles and modern technological advancements, the department aims to produce competent and innovative engineers. Equipped with state-of-the-art facilities and infrastructure, it ensures students gain practical experience and are well-prepared to meet global industry standards and challenges.

**ABOUT ELECTRONICS & COMMUNICATION ENGINEERING DEPARTMENT**

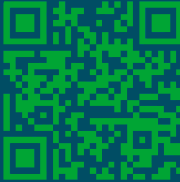

The Department of Electronics and Communication Engineering, established in 1984, aims to impart high-quality education and encourage research. We produce graduates who are highly skilled in communication and electronics engineering. Our students are prepared to face challenges in communications, DSP, microelectronics, VLSI, IoT, embedded systems, and image processing. The E&CE department has good infrastructure and facilities, ensuring practical knowledge aligns with the global competitive environment.

**ABOUT THE FACULTY DEVELOPMENT PROGRAMME**

This Faculty Development Programme is devoted to address the need to enhance the knowledge about the latest development pertaining to AI and Data Science. The whole programme is handled by academicians and industry experts.
